## A MESSAGE FROM MARSHA

### Congratulations to County Executive Ken Jenkins

Congratulations to Deputy Westchester County Executive Ken Jenkins who was elected today by the County Board of Legislators to serve as County Executive replacing George Latimer, who took his oath of office on Friday to the U.S. House of Representatives.

A special election will be held Tuesday, February 11th. Jenkins intends to be elected County Executive for the remaining nine months of Latimer's term, and last month he announced his candidacy for the November general election to serve a full term as County Executive effective January 1, 2026.

Jenkins was the featured speaker at the December 16 BCW's Valley Bank Leadership Conversations series where he outlined his vision for Westchester County to a standing-room-only crowd of business, government, and non-profit leaders.

He said as county executive he will continue the good work of the Latimer administration, which balanced fiscal responsibility with the needs of Westchester's diverse residents. Regarding the county's 2025 budget, he said it has a zero percent tax levy increase while maintaining critical services for residents.

On economic development, Jenkins noted the county's support for local entrepreneurs, minority-and women-owned businesses, local chambers of commerce, the startup accelerator program Element 46, and outreach to biosciences firms in New York City.

The BCW has enjoyed a long and positive relationship with Ken Jenkins from his time as a member--and later chair--of the County Legislators as well as his seven years as Deputy County Executive. We are confident that the work of the county will be in stable hands with Ken serving as the County Executive. We look forward to working with Ken and the Westchester County Board of Legislators in 2025.
