REQUEST FOR APPLICATION: RENEWABLE ENERGY ACCESS AND COMMUNITY HELP PROGRAM (REACH)

The New York Power Authority ("NYPA") is now offering a Request for Application ("RFA") to provide a simple mechanism for renewable energy developers, battery storage developers, and other interested entities ("Applicants") to make voluntary contributions towards the Renewable Energy Access and Community Help Program ("REACH") to provide utility bill relief to low-income New Yorkers in disadvantaged communities.

Applicants are encouraged to respond to this RFA, which is non-binding, to learn more about the program and, if interested in participating and eligible, enter into a Voluntary Contribution Agreement.

NYPA anticipates that renewable energy and energy storage developers may elect to enter into one or more Voluntary Contribution Agreements with NYPA to contribute funding to REACH and to help satisfy disadvantaged community commitments under their renewable energy certificate or indexed storage credit agreements with the New York State Energy Research and Development Authority ("NYSERDA"). NYSERDA has traditionally scored proposals favorably that include specific disadvantaged community commitments, such as voluntary contributions to REACH.

Responding to this RFA is optional, and failure to respond will not affect an Applicant's ability to respond to future sourcing requests or opportunities with NYPA.

To apply, please fill out the NYPA REACH RFA Web Form.

The New York State Secure Choice Savings Program ("New York Secure Choice") is an automatic enrollment payroll deduction retirement savings program overseen by the New York Secure Choice Savings Program Board ("Board"). Vestwell State Savings, LLC ("Vestwell"), is the program administrator. Vestwell and The Bank of New York are responsible for day-to-day program operations. Participants who use New York Secure Choice beneficially own and have control over their Roth Individual Retirement Accounts ("IRA"), as provided in the program offering set out at [NewYorkSecureChoice.com](http://NewYorkSecureChoice.com).

New York Secure Choice offers investment options selected by the Board. For more information on New York Secure Choice investment options, go to [NewYorkSecureChoice.com](http://NewYorkSecureChoice.com). Account balances in New York Secure Choice will vary with market conditions and are not guaranteed or insured by the Board, the State of New York, the Federal Deposit Insurance Corporation ("FDIC"), or any other organization.

New York Secure Choice is a completely voluntary retirement program. Saving through a Roth IRA will not be appropriate for all individuals. Employer facilitation of New York Secure Choice should not be considered an endorsement or recommendation by your employer of New York Secure Choice, Roth IRAs, or the investment options offered in the program. Roth IRAs are not exclusive to New York Secure Choice and can be obtained outside of the program and contributed to outside of payroll deduction. Contributing to a New York Secure Choice Roth IRA through payroll deduction offers some tax benefits and consequences. However, not everyone is eligible to contribute to a Roth IRA.

Vestwell does not provide legal, financial, tax, or investment advice. Program participants should consider obtaining their own appropriate professional advice if you have questions related to taxes or investments before making any decisions regarding their participation or investment in the program.
