DORMITORY AUTHORITY OF THE STATE OF NEW YORK ("DASNY")

REQUEST FOR QUALIFICATIONS

The Dormitory Authority of the State of New York (DASNY) is seeking proposals from Construction Manager's capable of providing preconstruction services during design, construction management and construction implementation for the Office for People with Developmental Disabilities (OPWDD), Institute for Basic Research (IBR), Building 29, Renovations & Decommissioning Services located at 1050 Forest Hill Rd, Staten Island, New York (the "Project").

A CM-Build project delivery method is similar to a Construction Manager-at-Risk project delivery method, in that the Construction Manager is involved during the design phase of the project, procures the construction phase trade contracts, and manages the construction phase of the project. However, in a CM-Build delivery method, a Guaranteed Maximum Price is not provided prior to bidding the trade packages, rather a Maximum Contract Price ("MCP") is established after the Construction Manager procures the trade packages. The CM

Build Contractor is a Construction Manager who will contract with DASNY to submit an MCP.

Following receipt of the submitted SOQs, an established Evaluation Committee will then identify a shortlist of Construction Managers that will continue with the development process for the Project. The shortlisted Construction Manager will be provided with a future Request for Proposal ("RFP") for the overall Project on which to fully develop a response to the RFP.

The Overall Goal for Building 29 is to renovate both interior and exterior so the building can be reoccupied. The building will be configured into two main areas:

- Half facing 3rd Avenue → future Learning & Education Center
- Half facing the college → Conference, meeting, and training use

Please see Section 2 – Engagement Requirements for additional Scope of Work.

Interested Proposers should review Section 2.2- Qualification and Certification Requirements of the RFQ to determine eligibility.

DASNY contributes to the economic development of New York State by assisting and supporting Minority and Women Owned Business Enterprises (MWBEs) and Service-Disabled Veteran-Owned Businesses (SDVOB) through its procurement process. As part of this RFQ, and consistent with New York State Executive Law 15-A and Article 3 of the New York State Veteran Services Law, DASNY encourages all firms to consider submitting proposals that utilize partnerships, joint ventures or other similar arrangements with a New York State certified MWBE/SDVOB firm on this contract. For technical assistance identifying certified MWBE firms contact Empire State Development at www.esd.ny.gov or visit DASNY's MWBE Registry at www.dasny.org. For NYS Certified SDVOB firms contact www.ogs.ny.gov/veterans.

Pursuant to Executive Order No. 170.1 – Uniform Guidelines for Responsibility Determinations, Executive Order No. 125 – NYS Vendor Responsibility Questionnaire and Executive Order No. 192 – Continuing Vendor Integrity, DASNY may only award a contract to a responsible proposer. The proposer responsible must have the integrity to justify the award of public dollars and the capacity to fulfil the requirements of the contract fully. The proposer must file a vendor responsibility questionnaire with DASNY. The questionnaire provides the proposer with an opportunity to self-disclose any issues and provide necessary information, which DASNY will use as part of its determination.

Firms interested in responding to this solicitation may access the RFQ and related documents from DASNY's website at: <https://www.dasny.org/opportunities/rfps-bids/professional-services-construction>. To locate this RFQ, navigate to RFQ 7629 to view the full details for this opportunity and attachments. The deadline for responses to the RFQ is 3:00 PM on April 3, 2026. Responses received after this date will not be accepted.

alteration, repair, or improvement of any State building, a responsible and reliable NYS-certified Minority or Women-Owned Business Enterprise that submits a bid within ten percent of the lowest bid will be deemed the apparent low bidder provided that the bid is \$1,737,918 or less, adjusted annually for inflation as of March 1, 2026. If more than one responsible and reliable MWBE firm meets these requirements, the MWBE firm with the lowest bid will be deemed the apparent low bidder.

The only time prospective bidders will be allowed to visit the job site to take field measurements and examine existing conditions of the project area will be at 10:00 a.m. on March 19, 2026, at Finger Lakes Residential Center, 250 Auburn Rd, Lansing, NY. Phone the office of Paul Margrave (315-546-5275) a minimum of 48 hours in advance of the date to provide the names of those who will attend the pre-bid site visit. Only contractors that schedule a visit at least 48 hours in advance will be allowed to participate in the pre-bid site visit.

Pursuant to New York State Executive Law Article 15-A and the rules and regulations promulgated thereunder, OGS is required to promote opportunities for the maximum feasible participation of New York State-certified Minority and Women-owned Business Enterprises ("MWBEs") and the employment of minority group members and women in the performance of OGS contracts. All bidders are expected to cooperate in implementing this policy. OGS hereby establishes an overall goal of 30% for MWBE participation, 15% for Minority-Owned Business Enterprises ("MBE") participation and 15% for Women-Owned Business Enterprises ("WBE") participation (based on the current availability of qualified MBEs and WBEs) for Construction Work, for HVAC Work, and for Electrical Work; and an overall goal of 10% for MWBE participation, 5% for Minority-Owned Business Enterprises ("MBE") participation and 5% for Women-Owned Business Enterprises ("WBE") participation (based on the current availability of qualified MBEs and WBEs) for Plumbing Work. The total contract goal can be obtained by utilizing any combination of MBE and /or WBE participation for subcontracting and supplies acquired under this Contract. Trades with 0% goals are encouraged to make "good faith efforts" to promote and assist in the participation of MWBEs on the Contract for the provision of services and materials.

Article 3 of the Veteran's Services Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses ("SDVOBs"). Bidders are expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles. OGS hereby establishes overall goals for SDVOBs' participation under this contract as follows: 6% for the C trade contractor, 3% for the E trade contractor, 3% for the H trade contractor, and 3% for the P trade contractor, based on the current availability of qualified SDVOBs. Trades with 0% goals are encouraged to make "good faith efforts" to promote and assist in the participation of SDVOBs on the Contract for the provision of services and materials.

NEW YORK CONTRACTS CAN GROW YOUR GOODS, SERVICES AND CONTRACTING BUSINESS, BUT YOU HAVE TO KNOW WHERE TO FIND THEM AND HOW TO WIN THEM. THE FOLLOWING LIST OF RESOURCES WILL HELP YOU DO JUST THAT.

▪ ***NYS CONTRACT REPORTER (NYSCR)***

WELCOME TO NEW YORK'S OFFICIAL WEBSITE OF STATE PROCUREMENT ACTIVITY

Welcome to the NYS Contract Reporter (NYSCR), New York's official website of state procurement activity. All state agencies, authorities, state universities and public benefit corporations advertise bid opportunities valued at \$50,000 or more on this website. In addition, many New York municipalities, museums, libraries, and elementary and secondary schools, as well as eligible not-for-profits, advertise bid solicitations on the NYSCR site.

In addition to bid advertising, the NYSCR offers free bid notification service, plus a business registry for use by agencies. Prime contractors can use the registry to maximize their connections to subcontractors and suppliers.

All NYSCR services are free but you must register to access the site's resources and sign up for bid notification messages. You can also complete an expanded registration, requiring more information about your business, to add your company to the business registry.

▪ ***THE CITY RECORD ONLINE***

The City Record Online (CROL) is now a fully searchable database of notices published in the city record newspaper which includes but is not limited to: public hearings and meetings, public auctions and sales, solicitations and awards and official rules proposed and adopted by city agencies.

Visitors can sign up to receive notifications by email in their areas of interest and also download bid documents (when available). Returning visitors: if you have previously set up an account on CROL please click sign up to validate your registered account on the new site. Visitors will need to complete the sign up process using the email linked to your former account to access your previous notification settings. After completing this step, visitors will be able to log in directly on return visits. The city record print edition and the city record online are produced by the NYC Department of Citywide Administrative Services.
