Pursuant to New York State Executive Law Article 15-A and the rules and regulations promulgated thereunder, OGS is required to promote opportunities for the maximum feasible participation of New York State-certified Minority- and Women-owned Business Enterprises ("MWBEs") and the employment of minority group members and women in the performance of OGS contracts. All bidders are expected to cooperate in implementing this policy. OGS hereby establishes an overall goal of 30% for MWBE participation, 15% for Minority-Owned Business Enterprises ("MBE") participation and 15% for Women-Owned Business Enterprises ("WBE") participation (based on the current availability of qualified MBEs and WBEs). The total contract goal can be obtained by utilizing any combination of MBE and/or WBE participation for subcontracting and supplies acquired under this Contract. Trades with 0% goals are encouraged to make "good faith efforts" to promote and assist in the participation of MWBEs on the Contract for the provision of services and materials.

Article 3 of the Veterans' Services Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses ("SDVOBs"). Bidders are expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles. OGS hereby establishes overall goals for SDVOBs' participation under this contract as follows: 6% for the C trade contractor, based on the current availability of qualified SDVOBs. Trades with 0% goals are encouraged to make "good faith efforts" to promote and assist in the participation of SDVOBs on the Contract for the provision of services and materials.

Section 3 Employment Opportunities

WDF supports hiring Section 3 of the Housing and Urban Development (HUD) mandate that requires employment and other economic opportunities generated by federal assistance to public housing authorities to be directed, whenever possible, to public housing residents and other low and very low-income residents to work on all of our New York City Housing Authority ("NYCHA") projects. WDF supports hiring Resident Employment Program (REP), which requires that 15 percent of the labor amount of NYCHA construction contracts greater than \$500,000 be spent on resident hiring. To that end, WDF's approach to meet NYCHA Section 3 requirement and our past Section 3 performance has been to commit to working with Resident Economic Empowerment Sustainability Department (REESE) to source Category 1 and 2 residents.

Awarded NYCHA Contracts
