DASNY Project # 1000509999

Sealed bids for the above work located in the regions listed below will be received by DASNY at its office located at 515 Broadway, Albany, NY 12207. Each bid must be identified, on the outside of the envelope, with the name and address of the bidder and designated as a bid for the region and trade noted below. When a sealed bid is placed inside another delivery jacket, the bid delivery jacket must be clearly marked on the outside “BID ENCLOSED” and “ATTENTION: CONSTRUCTION CONTRACTS UNIT. – JAMIE CHRISTENSEN” DASNY will not be responsible for receipt of bids which do not comply with these instructions.

Only those bids in the hands of DASNY, available to be read at 2:00 PM local time on August 16, 2023, will be considered. Bids shall be publicly opened and read aloud. Bid results can be obtained on the DASNY website; http://www.dasny.org, forty-eight (48) hours after the Bid Opening.

All individuals who plan to attend bid openings in person will be required to complete and present a DASNY Visitor Covid-19 Screening Questionnaire, present government-issued picture identification to building security officials and obtain a visitors pass prior to attending the bid opening. The questionnaire and all instructions are located after Section 19.0 of the Information for Bidders.

Individuals and entities submitting bids in person or by private delivery services should allow sufficient time for processing through building security to assure that bids are received prior to the deadline for submitting bids.

All bid openings will be made available for viewing live via Zoom at www.zoom.us. To enter the meeting, select “Join a Meeting” then enter Meeting Id 353 471 6521, Password 351895. Individuals are strongly encouraged to utilize this public viewing option as an alternative to in person attendance at bid openings.

The Pre-Bid Conferences for Prospective Bidders shall be held via Zoom at www.zoom.us. To enter the meeting, select “Join a Meeting” then enter Meeting Id 353 471 6521, Password 351895

Upstate (Regions 3 – 10): Tuesday, July 25th, 2023, at 10:00 AM
Downstate (Regions 1 & 2): Wednesday, July 26th, 2023, at 10:00 AM

Due to the specialized nature of the JOC Program attending the Pre-Bid Meeting is strongly recommended.

For Region 1 (Bronx, Kings, New York, Queens, and Richmond Counties) only: DASNY has determined that its interest in obtaining the best work at the lowest possible price, preventing favoritism, fraud and corruption, and other considerations such as the impact of delay, the possibility of cost savings advantages and any local history of labor unrest are best met by use of a Project Labor Agreement ("PLA"). The successful low bidder, as a condition of being awarded a Contract, will be required to execute the PLA described in the Information for Bidders and included in the Contract Documents. See Section 18.0 of the Information for Bidders of the Contract Documents for additional information. All subcontractors of every tier will be required to agree to be bound by the PLA. The threshold for DASNY’s PLA is $3,000,000. However, notwithstanding the maximum contract value, PLA Factors must be provided for any Region 1 trade contract. DASNY’s PLA may be required on a per-project basis even if the contract value is less than $3,000,000.

Contractors who currently hold an active JOC term contract with 12 months or more remaining on any contract term must carefully consider their ability to comply with all program requirements and to perform to DASNY’s standards and expectations for its JOC contractors, before bidding on an additional JOC term contract, especially for a contract of the same trade and in the region as their current contract.

In accordance with State Finance Law § 139-j and § 139-k, this solicitation includes and imposes certain restrictions on communications between DASNY personnel and a prospective bidder during the procurement process. Designated staff for this solicitation is: Dominick Donadio, DASNY, 518-257-3596 or DASNY at contracts@dasny.org. Contacts made to other DASNY personnel regarding this procurement may disqualify the prospective bidder and affect future procurements with governmental entities in the State of New York. For more information pursuant to this law, refer to the DASNY website; http://www.dasny.org or the OGS website; http://www.ogs.ny.gov.

Dormitory Authority – State of New York
(“DASNY”)
The Dormitory Authority State of New York (DASNY) is seeking proposals from Construction Management firms to provide construction management services during the design, bid, and construction phase and for the administration of general conditions for the University at Albany Ten Eyck, Bleecker and Van Cortlandt Halls Renovation Project using a Construction Manager-Build (CM-Build) project delivery method.

A CM-Build project delivery method is similar to a Construction Manager-at-Risk project delivery method, in that the Construction Manager is involved during the design phase of the project, procures the construction trade phase contracts, and manages the construction phase of the project. However, in a CM-Build delivery method, a Guaranteed Maximum Price is not provided prior to bidding the trade packages, rather a Maximum Contract Price (“MCP”) is established after the Construction Manager procures the trade packages. The CM-Build Contractor (hereinafter referred to as the “Construction Manager” or “CM”) is a Construction Manager who will contract with DASNY to submit an MCP.

The project includes the renovation of Ten Eyck Hall into a modern welcoming residence hall located on the Dutch Quad at the University at Albany with an estimated construction value of $8,900,000.00. The renovations will improve the livability of the residence hall facilities, comply with the current building codes, improve accessibility, and increase the number of single bedrooms. The University at Albany and DASNY have set a goal of attaining LEED V4 Silver certification by incorporating energy efficient and sustainable design concepts into the design of the project. This building, like the rest of the Uptown Campus, was designed in the unique International style architectural design of Edward Durell Stone. The campus is considering the need for construction management services to also be provided for the renovation of a similar size and scope at Bleecker Hall following the completion of Ten Eyck Hall and at Van Cortlandt Hall following the completion of Bleecker Hall. The firm selected will receive a contract for the first phase (Ten Eyck Hall). The full term and conditions of this RFP covers phase one work at the Ten Eyck Hall only. Phase two and three may be added with the terms and conditions mutually agreed upon. Should the client decide to proceed with phases two and three, it is anticipated that pre-construction services would commence during post-construction of the previous phase to eliminate the need for re-mobilization.

Interested firms must possess substantial experience and a proven track record in providing Construction Management Services including project management and administration, constructability analysis, value analysis, cost estimation and scheduling, change order mitigation and management, and supervision and inspection. Firms must be able to demonstrate experience on multi-phased higher education major renovation projects and projects with phased construction while the facility is occupied and operational. Firms must have completed a minimum of five (5) projects of similar size, scope, and complexity within the past ten (10) years, including at least one (1) project providing Construction Manager-at-Risk, CM Build or another Alternate Delivery method for services on a college campus (multi-phase project experience is preferred). Firms should have experience delivering projects within a tight construction schedule and employ an experienced staff with thorough knowledge of their area(s) of expertise.

DASNY contributes to the economic development of New York State by assisting and supporting Minority and Women Owned Business Enterprises and Service-Disabled Veteran-Owned Businesses (MWBE/SDVOB) through its procurement process. As part of this EOI, and consistent with Article 15A, 15B of the Executive Laws, DASNY strongly encourages all firms to submit proposals that utilize partnerships, joint ventures or sub-consultant arrangements with New York State certified MWBE & SDVOB firms for this procurement. To identify NYS Certified MWBE firms contact Empire State Development at www.esd.ny.gov/doing-business-ny/mwbe, for NYS Certified SDVOB firms contact www.ogs.ny.gov/veterans or for further assistance review DASNY MWSBE Registry at www.dasny.org. It is the goal of DASNY to encourage participation by qualified and certified Minority, Woman-Owned-Business Enterprises (MWBES) and Service-Disabled Veteran-Owned Businesses (SDVOBS) as part of your team with meaningful roles to the maximum extent practical and consistent with legal requirements.

Interested Respondents must have experience providing the services described in the RFP.

Firms interested in responding to this solicitation may access the RFP and related documents from DASNY’s website at: https://www.dasny.org/opportunities/rfps-bids/professional-services-construction. The deadline for responses to the RFP is 3:00 pm on August 2, 2023. Responses received after this date will not be accepted.

In accordance with State Finance Law § 139-j and § 139-k, this solicitation includes and imposes certain restrictions on communications between Dormitory Authority personnel and an Offeror during the procurement process. The Designated Representative for this procurement is Rachel Scaccia, Email:

Each bid must be identified, on the outside of the envelope, with the name and address of the bidder and designated a bid for the Project titled above. When a sealed bid is placed inside another delivery jacket, the bid delivery jacket must be clearly marked on the outside “BID ENCLOSED” and “ATTENTION: CONSTRUCTION CONTRACTS – DARIA KHANAFIEV.” DASNY will not be responsible for receipt of bids which do not comply with these instructions.

The Dormitory Authority of the State of New York (“DASNYS”) has determined that its interest in obtaining the best work at the lowest possible price, preventing favoritism, fraud and corruption, and other considerations such as the impact of delay, the possibility of cost savings advantages and any local history of labor unrest are best met by use of a Project Labor Agreement (“PLA”) on this Project. The successful low bidder, as a condition of being awarded this Contract, will be required to execute the PLA described in the Information for Bidders and included in the Contract Documents. See Section 18.0 of the Information for Bidders of the Contract Documents for additional information. All subcontractors of every tier will be required to agree to be bound by the PLA.

All individuals who plan to attend pre-bid meetings or bid openings in person will be required to complete and present a DASNY Visitor Covid-19 Screening Questionnaire, present government-issued picture identification to building security officials and obtain a visitors pass prior to attending the bid opening. The questionnaire and all instructions are located after Section 19.0 of the Information for Bidders.

Individuals and entities submitting bids in person or by private delivery services should allow sufficient time for processing through building security to assure that bids are received prior to the deadline for submitting bids.

All bid openings will be made available for viewing live via Zoom at www.zoom.us. To enter the meeting, select “Join a Meeting” then enter Meeting Id 353 471 6521, Password 351895. Individuals are strongly encouraged to utilize this public viewing option as an alternative to in person attendance at bid openings.

Only those bids in the hands of DASNY, available to be read at 2:00 PM local time on September 6, 2023, will be considered. Bids shall be publicly opened and read aloud. Bid results can be viewed at DASNY’s website; http://www.dasny.org.

In accordance with State Finance Law § 139-j and § 139-k, this solicitation includes and imposes certain restrictions on communications between DASNY personnel and a prospective bidder during the procurement process. Designated staff for this solicitation is: Samir Rimawi, Project Manager, 2155 University Avenue, Bronx, New York 10453, 917-295-5291, srimawi@dasny.org (the Owner’s Representative) and DASNY at contracts@dasny.org. Contacts made to other DASNY personnel regarding this procurement may disqualify the prospective bidder and affect future procurements with governmental entities in the State of New York. For more information pursuant to this law, refer to DASNY’s website; http://www.dasny.org or the OGS website; http://www ogs.state.ny.us.

A Pre-Bid Meeting will be held on Tuesday, August 1, 2023, at 10:00 AM at Bronx Community College, DASNY Field Office, 2155 University Avenue, Bronx, New York 10453. Contact Samir Rimawi at 917-295-5291. Contractors must submit their company name and contact information to Samir Rimawi at srimawi@dasny.org to sign up for the pre-bid meeting. Failure to do so may prevent the contractor from gaining access.

Prospective bidders are advised that the Contract Documents for this Project contain new “GENERAL CONDITIONS for CONSTRUCTION” dated June 17, 2021, that contain significant revisions from those documents previously contained in DASNY’S Contract Documents. Prospective bidders are further advised to review applicable sections of these General Conditions for any potential impact on their bid price prior to submittal of the bid.

A complete set of Contract Documents may be viewed and/or purchased online from Camelot Print and Copy Centers. Only those Contract Documents obtained in this manner will enable a prospective bidder to be identified as an official plan holder of record. DASNY takes no responsibility for the completeness of Contract Documents obtained from other sources. Contract Documents obtained from other sources may not be accurate or may not contain addenda that may have been issued. In addition, prospective bidders are advised that the Contract Documents for this Project contain new “GENERAL CONDITIONS for CONSTRUCTION” dated June 17, 2021 that contain significant revisions from those documents previously contained in DASNY’S Contract Documents. Prospective bidders are further advised to review applicable sections of these General Conditions for any potential impact on their bid price prior to submittal of the bid.

To view the Contract Documents online, click the following link: www.camelotplanroom.com or type it into your web browser. Then click on the Public Jobs link on the left side of the page. If you would like to purchase the Contract Documents and become a registered planholder click the link “Register for an account” and follow the steps to create a free account (if you have not previously set one up). Once you have a Login and Password, log in to the planroom. To order a DIGITAL DOWNLOAD of the Contract Documents and be placed on the bidder’s list, add the Contract Document(s) to your cart and proceed to the checkout. Goldman Sachs 10,000 Small Businesses provides business education, support services and access to capital for growth-oriented entrepreneurs. Participants gain practical skills to take their business to the next level, with topics like financial statements, negotiations, and marketing. Participants develop an actionable growth plan for the business with the help of business advisors and like-minded entrepreneurs.

The program is free for participants and delivered in partnership with academic institutions across the country. To date, Goldman Sachs 10,000 Small Businesses has served over 10,000 businesses in all 50 states, Washington D.C. and Puerto Rico.
HOW IT WORKS

Business Management Education
We partner with local colleges to provide small business owners with a practical business education.
- 10-week program focused on business growth
- Beet-in-class curriculum
- Network of fellow business leaders, business advisors, trained faculty
- No cost to all participants
- Available to small businesses in every state

BEYOND THE CLASSROOM

A Network of Support
Through the education program, you will have opportunities to learn from other small business owners, receive expert advice from business professionals, get one-on-one business advising, and join a national network of entrepreneurs following graduation.

Access to Capital
Goldman Sachs 10,000 Small Businesses partners with Community Development Financial Institutions (CDFIs) and other mission-driven lenders to expand access to capital for small businesses. Through these partnerships, loans are available to qualifying small businesses that lack access to affordable capital or may not qualify for traditional sources of credit.

DEFINITION OF GOOD FAITH EFFORTS

5 NYCRR §142.8 - Contractor's good faith efforts

(a) The contractor must document its good faith efforts toward meeting certified minority- and women-owned business enterprise utilization plans by providing, at a minimum:
   
   (1) Copies of any solicitations of certified minority- and/or women-owned business enterprises listed in the New York State Directory of certified businesses, and any responses thereto;
   
   (2) If responses to the contractor's solicitations were received, but a certified minority- or woman-owned business enterprise was not selected, the specific reasons that such enterprise was not selected;
   
   (3) Copies of any advertisements for participation by certified minority- and women-owned business enterprises timely published in appropriate general circulation, trade and minority- or women-oriented publications, together with the listing(s) and date(s) of the publication of such advertisements;
   
   (4) The dates of attendance at any pre-bid, pre-award, or other meetings, if any, scheduled by the State agency awarding the State contract, with certified minority- and women-owned business enterprises which the State agency determined were capable of performing the State contract scope of work for the purpose of fulfilling the contract participation goals;
   
   (5) Information describing the specific steps undertaken to reasonably structure the contract scope of work for the purpose of subcontracting with, or obtaining supplies from, certified minority- and women-owned business enterprises.

(b) In addition to the information provided by the contractor in paragraph (a) above, the State agency may also consider the following to determine whether the contractor has demonstrated good faith efforts:

   (1) whether the contractor submitted an alternative utilization plan consistent with the subcontract or supplier opportunities in the contract;
   
   (2) the number of certified minority- and women-owned business enterprises in the region listed in the directory of certified businesses that could, in the judgment of the State agency, perform work required by the State contract scope of work;
   
   (3) The actions taken by the contractor to contact and assess the ability of certified minority- and women-owned business enterprises located outside of the region in which the State contract scope of work is to be performed to participate on the State contract;
   
   (4) whether the contractor provided relevant plans, specifications or terms and conditions to certified minority- and women-owned business enterprises sufficiently in advance to enable them to prepare an informed response to a contractor request for participation as a subcontractor or supplier;
   
   (5) the terms and conditions of any subcontract or provision of supplies offered to certified minority- or women-owned business enterprises and a comparison of such terms and conditions with those offered in the ordinary course of the contractor's business and to other subcontractors or suppliers of the contractor;
   
   (6) whether the contractor offered to make up any inability to comply with the certified minority- and women-owned business enterprises goals in the subject State contract in other State contracts being performed or awarded to the contractor, and
   
   (7) any other information that is relevant or appropriate to determining whether the contractor has demonstrated a good faith effort.
VISION 2030
POWERED BY DIVERSITY

NYPAs has spent over $1.7 billion with diverse, service-disabled veteran-owned, small, and local businesses. NYPAs is the largest state public power organization in the nation and we remain focused on engaging diverse, veteran, and local and small businesses in our operations. NJ TRANSIT
REQUEST FOR PROPOSAL No. 0000008

DESIGN, ENGINEERING, AND CONSTRUCTION ASSISTANCE SERVICES FOR THE REPLACEMENT OF BRIELLE DRAWBRIDGE

NJ TRANSIT is requesting Proposals from qualified Consulting firms to provide Design, Engineering, and Construction Assistance Services for the Replacement of Brielle Drawbridge.

The goal of this RFP is to secure Consultant services for a bridge design to replace the existing Undergrade Brielle Drawbridge at MP 36.09 over the Manasquan River that connects the town of Brielle and Point Pleasant Beach on the North Jersey Coastline.

NJ TRANSIT intends to enter this Contract with a phased approach. As a result of this RFP, NJ TRANSIT will enter into a Contract for Phase I-Conceptual and Preliminary Design/Engineering. Technical Proposals shall include all Phases as outlined in the RFP.

NJ TRANSIT will not hold an in-person meeting for the Pre-Proposal Conference. The Pre-Proposal Conference will be held utilizing a telephone and video conference via Microsoft Teams which is scheduled for 11:00 A.M., local time, on August 3, 2023, for the purpose of answering questions, providing directives, and providing clarification. All interested firms are urged to participate. For video conference access information, please contact Raven Costa by e-mailing racosta@njtransit.com by August 1, 2023. Upon confirmation of your firm’s RSVP, NJ TRANSIT will forward an invitation for the video conference. Attendance at the Pre-Proposal Conference is highly recommended but not mandatory. Recipients of this RFP that do not attend may be at a disadvantage when submitting a Proposal.

Technical Proposals must be received on or before September 28, 2023 at 11:00 A.M. Proposals for the project must be uploaded to the Bid Express website, www.bidexpress.com, on the scheduled Proposal Due Date. The Proposer must upload its Proposal prior to the hour specified so that it is included in the project download. Late Proposals will not be accepted. This platform is the only method to submit a Proposal for this project; hard copy or emailed Proposals will not be accepted. Note: To increase download speeds of submitted Proposals, a Proposal has a total MAXIMUM upload limit of 70MB. Each upload line has a maximum limit of 10 MB.

NJ TRANSIT may not award a contract unless the Proposer has provided to NJ TRANSIT a valid business registration certificate issued by the Division of Revenue and Enterprise Services within the Department of the Treasury as required by N.J.S.A. 52:32-44 for itself and any named Subconsultant(s). In addition, Subconsultants shall not engage in the performance of any work under this contract without a valid business registration certificate. This project is also subject to the Diane B. Allen Equal Pay Act (N.J.S.A. 34:11-56.13 et seq.) concerning the reporting of compensation and hours worked by employees categorized by gender, race, ethnicity, and job title. The successful Proposer will be required to comply with the requirements of N.J.S.A. 10:5-31 et seq. and N.J.A.C. 17:27 et seq. regarding Equal Employment Opportunity Laws and Regulations. Disadvantaged Business Enterprises, in accordance with the Department of Transportation (DOT) Regulations 49 C.F.R., Part 26, shall have the maximum opportunity to participate in the performance of this contract. A 25% Race Conscious DBE goal has been assigned to this project.

All proposals, contracts, laws and related documentation will be subject to the financial assistance contract between the project sponsor and the U.S. Department of Transportation, under the Federal Transit Act of 1964, as amended, based upon availability of funds.

NJ TRANSIT
REQUEST FOR PROPOSAL No. 0000029

NJ Transit Facility Inspections FY24-FY26

NJ TRANSIT is requesting Proposals from qualified firms to provide to perform inspections of all NJ TRANSIT facilities over a three (3) year cycle. All firms submitting Proposals for this project must have related experience of a similar magnitude. NJ TRANSIT is requesting Proposals from firms with the intention of awarding a contract to the firm whose qualifications and Proposal are most advantageous to NJ TRANSIT, price and other factors considered. Background information, project description, scope of services, instructions for Proposers, and evaluation criteria can be obtained by visiting www.bidexpress.com. To obtain the Request for Proposals (RFP) and all pertinent proposal documents, interested firms must register with Bid Express at www.bidexpress.com. There is no fee to register or upload a proposal. To register, follow the instructions on the website.

NJ TRANSIT may not award a Contract unless the Proposer has provided to NJ TRANSIT a valid business registration certificate issued by the Division of Revenue and Enterprise Services within the Department of the Treasury, as required by N.J.S.A. 52:32-44, for itself and any named Subcontractors(s). In addition, Subcontractors shall not engage in the performance of any work under this Contract without a valid business registration certificate. Proposers are required to comply with the requirements of N.J.S.A. 10:5-31 et seq. and N.J.A.C. 17:27, regarding Equal Employment Opportunity and Affirmative Action rules and regulations. NJ TRANSIT requires Proposers utilizing Disadvantaged Business Enterprise (DBE) subcontractors/vendors/suppliers to comply with all aspects of NJ TRANSIT’s DBE Program in the use of DBE’s. A 20% Race Conscious DBE goal has been assigned to this project.
All proposals, contracts, laws and related documentation will be subject to the financial assistance contract between the project sponsor and the United States Department of Transportation, under the Federal Transit Act of 1964, as amended, based upon availability of funds.
Mary Carol Buckles is an award-winning civil engineer who has dedicated over 35 years to solving the nation’s infrastructure challenges. Her firm, Onyx Enterprise, received the Minority Firm of the Year from the US Department of Commerce, Minority Business Development Agency (MBDA) in 2019. This prestigious award became the most important out of all the others Buckles received, she says. “It was an honor,” Buckles says. “I felt extremely proud that I was on that stage receiving the highest award in the nation. It spoke to all of the hard work over the years, and the dedication each of my employees demonstrate every day in providing quality service to our clients.”

At this time, Buckles’ had already been a Detroit MBDA client for over 10 years and decided to work with two more MBDA charters in Dallas, Texas, and Cleveland, Ohio in hopes of receiving federal contracts. She says Detroit MBDA has been a “huge” resource and credits Senior Business Development Consultant Sharon Crockett for being the coach she needed for business resources.

“Sharon has been attending my organization National Association of Minority Consulting Engineers meetings that I have with partners like MDOT. She is an advocate for small businesses, to increase opportunities on local and state projects,” Buckles said.

Len Becker, senior vice president of HNTB Corp. told Crain’s Detroit Business, Buckles’ success “in building her engineering consulting firm, the leadership roles she plays in industry organizations, and her commitment to developing the next generation through investing in high school and college students makes her one of the notable women in STEM.”
Buckles founded her business in 2007 and launched it full-time in 2011. By 2012, she already had three contracts in six months. Onyx Enterprise uses a holistic approach when managing projects keeping in mind sustainable energy, quality engineering, and cost. Her company provides project and construction management, and permitting services to industries such as water resources, infrastructure, building, and energy.

To date, Onyx Enterprises has 14 certifications with some from the City of Detroit, MDOT, Lean Six Sigma Green Belt, and has managed over $2B in construction work.

The business also garnered an impressive client base including the Detroit Water & Sewerage Department, Northeast Ohio Regional Sewer District, and Michigan Department of Transportation (MDOT), their top client.

As co-founder of the National Association of Minority Consulting Engineers, Buckles worked with MDOT and the American Council of Engineering Companies to develop the Mentor Protégé program for Small Businesses.

“I mentor a lot of young engineers and we bring them on as interns; I just recently hired three Historically Black University civil engineering graduates,” Buckles said. “We are positively impacting our community by hiring, giving jobs, and training them on major infrastructure projects.”

Buckles, an advocate for diversity, has served on executive boards such as the National Society of Black Engineers Detroit Alumni Extension, co-founded the Coalition of Black Organizations, University of Michigan Civil Engineering Alumni Board past chair and past vice chair, and the City of Detroit Wrecking Commission appointed by the Mayor of Detroit.

In 16 years she has grown her Detroit headquarters to two more offices in Cleveland, Ohio, and Atlanta, Georgia, and plans to open a third in St. Petersburg, Florida.

“We’ll be pursuing Florida Department of Transportation work and also airport work, very similar to the work that Onyx is doing here in Michigan for airports, DOT, and City of Detroit municipal work projects, which is either construction engineering inspection or municipal utility design,” Buckles said.

Buckles is proud of her company, and her employees, which she considers to be the backbone of the firm, and is most proud of the significant infrastructure projects Onyx Enterprise has been able to procure.

“All of the infrastructure work that we do, small to large projects, are all significant because we are impacting our community doing the much-needed work in a profession that we love, Civil Engineering and Construction,” Buckles said.

**Section 3 Employment Opportunities**

WDF supports hiring Section 3 of the Housing and Urban Development (HUD) mandate that requires employment and other economic opportunities generated by federal assistance to public housing authorities to be directed, whenever possible, to public housing residents and other low and very low income residents to work on all of our New York City Housing Authority (“NYCHA”) projects. WDF supports hiring Resident Employment Program (REP), which requires that 15 percent of the labor amount of NYCHA construction contracts greater than $500,000 be spent on resident hiring. To that end, WDF’s approach to meet NYCHA Section 3 requirement and our past Section 3 performance has been to commit to working with Resident Economic Empowerment Sustainability Department (REES) to source Category 1 and 2 residents.
